

Summit County Opiate Task Force

Key Stakeholders Annual Meeting

Summit County Public Health Auditorium
1867 W. Market Street, Suite A, Akron, OH 44313

MEETING NOTES 6/14/2017

ATTENDEES:

89 Community Stakeholders were in attendance.

MEETING MATERIALS:

The following meeting materials were distributed: Agenda, Meeting Notes from March 8, 2017, Data Dashboard Handouts, Jake's Reach Meeting schedule, Akron Say No to Dope, Inc. – New Beginnings Boutique flyer and Thrift and Ride for Recovery flyer, and Addiction Resource Guide.

WELCOME AND INTRODUCTIONS:

Jerry Craig, Executive Director of the County of Summit ADM Board welcomed all participants and outlined the agenda.

Detox Program Presentation:

Mr. Craig indicated that the County of Summit ADM Board budgeted an additional \$3.2 million in 2017 to expand detoxification, QRT and recovery coaching services. Tammy Jensen, Program Manager at the [ADM Crisis Center](#) gave an overview of detoxification services including eligibility criteria. Ms. Jensen noted that eight additional detox beds became available on May 21, 2017 (for a total of 28 beds) with a zero to three day wait for services. If a bed is open, services can be accessed by Summit County residents on the same day. In cases where the individual is not ready, they are asked to come back another day. Most admissions take place between 8:00 am and 5:00 pm. There are 19 male beds and a separate 9 bed female unit; however three dorm beds can swing to be a female unit, when needed. Detox patients meet with a Recovery Coach once admitted.

Committee Reports: Mr. Craig introduced Dr. Garry Thrasher, Chair of the Healthcare subcommittee.

- **Healthcare:** Dr. Thrasher indicated it is a goal of the Healthcare committee to provide an educational aspect to healthcare providers whenever possible. It was reiterated that there are 28 Detox beds, which makes this one of the largest in the state. Most of the time there is no wait list and they are trying to decrease no shows and offer immediate detox to those individuals.
 - It was also noted that the ADM Detox is a teaching site for 4th year students at NEOMED. The group is working on setting curriculum for Family Practice at Akron General and will participate in Grand Rounds.
 - Work continues with local pharmacies to help their customers safely store controlled drugs such as opiates. The committee is also working with the jail to help pregnant inmates who are detoxing.

Mission: *The Summit County Opiate Task Force is a group of key individuals and organizations committed to reducing the tragic consequences of opiate abuse in Summit County through education, collaboration, and the wise use of available resources.*

Discussion followed regarding the average length of stay for detox services. Dr. Thrasher mentioned that the Fentanyl has caused the length of stay to go up and work continues on providing interim sober housing.

- **Criminal Justice:** Jack Davis, City of Cuyahoga Falls Chief of Police, reported that the Criminal Justice subcommittee has been working with the Sheriff's Office to provide jail treatment programs at the Summit County Jail. Many hurdles will need to be overcome. Chief Davis also noted that Quick Response Teams (QRT) are going well and they are finding ways to share information within different cities in Summit County. At the last committee meeting, John Ellis from the University of Akron spoke about possible research endeavors. Discussion followed regarding the availability of Narcan and suggested remedies for helping those who overdose.
- **Public Awareness:** Darryl Brake, Executive Director of Community Partnership of Summit County and chair of the Public Awareness committee, said the committee has been very active.

On April 12th there was an all-day event with Sam Quinones, author of [Dreamland, The True Tale of America's Opiate Epidemic](#). The day started with a program entitled *Leaders in the Community Making a Difference* with physicians at Summa, he then visited Green High school for an interview, was the guest speaker at the [Akron Roundtable](#) meeting, and then presented at a question and answer session and book signing at the [Akron-Summit County Public Library's Main Library](#) in the evening.

On the evening of May 9th, there was a [Generation Found screening](#) at the Akron-Summit County Public Library's Main library with a musical performance by [Matt Butler](#).

- **Youth: (Young People in Recovery)**
Beth Kuckuck, Children's Program Coordinator at the ADM Board and the OTF Youth co-chair, indicated the subcommittee is focusing on three key areas:
 - In-school supports - assisting schools to better support and encourage youth struggling with addiction or those in recovery;
 - Community supports - connecting with other community entities to develop sober after school and weekend activities;
 - Looking into the feasibility of developing sober high school for Summit County.The group is also working hard on recruiting youth to serve on this committee.
- **Families:** Michael Cohen, chair of the Families subcommittee, highlighted three of the Jake's Reach events, including their first meeting which occurred on April 22nd in Ellet. The second event took place in May in Kenmore with approximately 125 people in attendance. Mobile D.A.W.N clinics were present and two families reported back that Narcan was used to save two lives. The third event is scheduled for June 7th from 6:00-8:00 pm at Forest Hill CLC. Jake's Reach was founded by Frank Marr, a resident of Ellet after the overdose death of his grandson. Handouts listing additional Jake's Reach meeting dates were made available to everyone.

Mission: The Summit County Opiate Task Force is a group of key individuals and organizations committed to reducing the tragic consequences of opiate abuse in Summit County through education, collaboration, and the wise use of available resources.

It was also noted that Jerry Craig, Shelly and Travis Bornstein and Mike Cohen will be attending the [OACBHA Ohio's 2017 Opiate Conference](#) in Columbus on June 12th and 13th. They will be talking about how addiction affects families.

- **Policy & Advocacy:** Greg McNeil reported that the committee has been focusing on identifying proven strategic initiatives and advocating for their adoption. They are currently focusing on treatment initiatives, specialized court dockets, educational programs, peer and recovery activities, Quick Response Teams, and recovery and transitional housing.

Mairin Mancino, co-chair of the Policy-Advocacy committee indicated that the group met on June 2nd and discussed the senate budget, which is being finalized by the Senate Finance Committee at the end of June. It is a goal of the committee to develop a plan to engage philanthropic, business and legislative support of funding or rules that support our community. In that effort, Mike Cohen went to Columbus to provide testimony about the importance of Medicaid coverage in terms of access of treatment and services. The committee is working on making assignments to call key state senators in hopes that they can influence the floor vote on the June 21st.

DATA DASHBOARD: Eric Hutzell, Research and Quality Improvement Coordinator for the County of Summit ADM Board presented a graphic entitled “Finding Patterns Among Recent Opioid Related Overdoses in Barberton, Ohio”. The map, based on Narcan usage back to 2015, demonstrates the collaboration and willingness to work together in our communities. Vince Morber, Chief of Barberton Police Department, indicated the map will be used with the ultimate goal of making better choices for our community.

Eric Hutzell presented the findings of the [June 7, 2017 Data Dashboard](#).

- Emergency department visits indicate there were 247 drug overdoses in April 2017 and 232 overdoes in May 2017 compared to 103 and 101 respectively in 2016.
- Preliminary data suggests that there were 37 drug overdose deaths from January 1 – May 30, 2017. The official count for total drug overdose deaths that occurred in Summit County in 2016, as of May 30, 2017 is 312. This is not a final count.
- Detox wait times for Q1 2017 show there was an 8 day wait time for females and 6 day wait time for males.
- Residential wait times for Q1 2017 show a 29 day wait time for males and 30 day wait time for females.
- There have been 50 DAWN kits dispensed so far in 2017, including those from Edwin Shaw.
- QRT is now in 65% of towns with a population of 10,000 or over.

GENERAL ANNOUNCEMENTS & UPCOMING EVENTS:

- [Akron Say No to Dope](#) will be having a Narcan training once per month. June 20th is the next training date. There will also be a Ride for Recovery on June 10th in memory of Sheena Moore. Opiate Task Force members were encouraged to shop at [New Beginnings Boutique and thrift shop](#). Akron Say No to Dope opened the shop with the goal of raising enough
